Camp Creek Run is located at 199 Taunton Lake Road in Marlton.

Project HEAL (Human, Environmental & Animal Links) is a private, nonprofit organization dedicated to enriching the lives of children through experiences that provide meaningful interaction with the environment, deepen connection to community, and develop the human/animal bond. We believe that animals and nature play a vital role in the healthy development of all children. We offer year-round EcoStudy programs for families, environmental education programs for schools, and a summer day camp program, Camp Creek Run, for children ages 4-12. We are located at Camp Creek Run, our 40-acre camp and nature preserve, in Marlton, New Jersey.
