## **INSTRUCTIONS FOR “ON-LINE” LIFT BADGE & RENTAL REGISTRATION**

### **For Lift Only as well as Renters**

Our group number code is 222

This on-line procedure eliminates the use of the paper program application (as well as eliminating the hassle of handling these applications to members). It does not eliminate the need for members to order and pay for their group packages through you.

- Go to the Shawnee Mountain web-site, [www.shawneemt.com](http://www.shawneemt.com)
- Click on the Group Sales button, found on the left side of the screen
- Click on “Club Program” button
- Click on “Lift Badge/Equipment Registration” button
- The member (or whoever is filling out the application) will enter a group number (supplied by us). Your group name will then be displayed so your member can verify their group affiliation
- Click on the type of application you are entering (Non-Rental, Ski, Snowboard)
- Read through Release of Liability Agreement and click on the “I Agree” button
- A blank application will be displayed. The member will enter all pertinent data here. The program will not allow the member to finish until all required information fields are complete. Click on “Confirm”
- Your information will then be displayed. This gives you the opportunity to “Go Back” and correct any incorrect data. After verifying the information, click on “Confirm”
- A confirmation page will be displayed that the member can print out. Done!

## NEW CONVENIENCES HAVE BEEN ADDED THIS SEASON:

1. For members entering multiple applications, the following options have been added to make your data input easier: 3 new buttons on the confirmation page has been displayed:

ADD SAME TYPE: Skier to skier

ADD DIFFERENT TYPE: Skier to boarder

LOG OFF: ends the application entry process

b. Field repetition: the address, phone and email fields are carried over from the previous application entered. These fields can be changed if necessary.
