- **Dress appropriately.** Long sleeved shirts and long pants tucked into socks. Insect repellent is suggested to spray on comfortable shoes (no flip-flops) and clothing. You may want to require a hat worn and hair pulled back in a ponytail.
- **Having lunch with us? PACK A BAGGED LUNCH IN A BACKPACK.** Lunches are carried with us through the program. Juice boxes are not recommended...the straw wrappers end up as litter on the ground. Use beverage cans that can be recycled.
- **Call the refuge if you have any changes, concerns, and/or questions.**
- **This is a RAIN/SHINE program unless the rain is torrential. Please be prepared.**
- **Should you need to cancel, please give a minimum of a 72-hour notice.**
