Leadership Statement of Faith					
<i>The Holy Bible is the inspired and infallible Word of God. It contains His completed and final revelation to man. We do not endorse or encourage the use of any teaching that conflicts with what is contained in it. The Holy Bible in its original form is without error in its entirety. The Word of God has been and will remain the ultimate authority as we seek His wisdom in representing His group in a way that honors and magnifies the name of our Lord and Savior, Jesus Christ.</i>
